Privacy policy

Privacy Policy

[PLACEHOLDER: legal name of the brokerage] (ABN [PLACEHOLDER: ABN]) · Version [PLACEHOLDER: version] · Date [PLACEHOLDER: date of this document]
We are bound by the Privacy Act 1988 (Cth) and the Australian Privacy Principles (APPs). This policy explains how we manage personal information (APP 1).

Anonymity and pseudonyms (APP 2)

You may deal with us anonymously or under a pseudonym where it is lawful and practicable, but we generally need your identity to arrange insurance or handle a claim.

What we collect (APP 3)

Name, contact details, date of birth, business details (ABN, turnover, employees), details of property, vehicles and drivers, claims and insurance history, payment details, and other information needed to arrange cover. We only collect sensitive information (e.g. health or criminal history) with your consent or where the law allows, usually because an insurer needs it.

How we collect it (APP 3, APP 4, APP 5)

Mostly directly from you — in our app, by email, phone or forms. Sometimes from others, such as insurers, premium funders, other brokers, your representatives or public sources. If we receive information we didn't ask for, we will decide whether we could have collected it and destroy or de-identify it if not. When we collect information we tell you the matters in our Collection Notice.

Why we collect, use and disclose it (APP 6)

To arrange, renew, change and service insurance, help with claims, handle complaints, meet legal obligations (including record-keeping) and run our business. We disclose information to insurers, underwriting agencies, premium funders, claims assessors, loss adjusters, other intermediaries, our service providers (including IT and cloud hosting), and regulators where required.

Direct marketing (APP 7)

We may send you information about our services. You can opt out at any time and we will act on your request.

Disclosure overseas (APP 8)

Some recipients may be located or store data overseas: [PLACEHOLDER: countries where data may be disclosed or stored, or 'none']. We take reasonable steps to ensure overseas recipients handle your information consistently with the APPs.

Government identifiers (APP 9)

We do not adopt government identifiers (such as a driver licence or Medicare number) as our own identifiers.

Quality and security (APP 10, APP 11)

We take reasonable steps to keep information accurate, up to date and complete, and to protect it from misuse, interference, loss and unauthorised access. We keep records for as long as the law requires and then destroy or de-identify them.

Access and correction (APP 12, APP 13)

You can ask to access or correct your information by contacting our privacy officer: [PLACEHOLDER: privacy officer contact details]. We will respond within 30 days. If we refuse, we will tell you why and how to complain.

Complaints
